£800k playground 'could face closure'

EXCLUSIVE

BY LAUREN ARCHELL

lauren.archell@lutononsunday.co.uk

THE manager of a 'flagship' adventure playground which cost £800,000 claims it is facing closure - just 16 months after it opened.

Katie Chambers, who works for charity Children's Links at Hart Hill Adventure Playground, in Haddon Road, Luton, says it has only enough money to remain open until the end of June.

Luton Borough Council said there was 'no intention' to close the facility, but that it was working with the charity to 'identify future funding options'.

But Miss Chambers claims that, if no

alternative funding is secured, all of the facilities on the site, including the outdoor adventure playground, large hall and multi-use sports pitch, will have to close. The playground has already cut its opening hours in an attempt to save money, but to no avail.

The construction of the playground was given the go-ahead after the council was awarded £1.4 million after becoming a Wave 2 Play Pathfinder authority in October 2008.

At the time the funding was received, a council agenda read: 'Luton currently has no adventure play provision. Play Pathfinder capital funding in the region of £800,000 capital will be allocated to the design and build of a flagship adventure playground.' Money from this total was

also allocated to fund the team of play rangers needed to staff the site, which is managed by Children's Links.

Play co-ordinator Miss Chambers said: "It would be awful if the facility had to close as we can have anything up to 100 children visiting the playground per day.

"We had a meeting with the council two weeks ago where we were told our funding was being cut and they have been very helpful in assisting us in sourcing alternative money.

"At the moment we're trying to stay positive and arrange fundraising events, and have a street party event taking place on Tuesday between 1pm-4pm."

Liberal Democrat leader, David Franks said: "Closing this facility is

not a possibility. I'm working with members of the council on ways to ensure the facility stays open, which I'm sure it will.

"To close this facility would not only be an extraordinary waste of money and would have a detrimental effect on the young people in the community who need a space like this.

"It is a fantastic facility and one that needs to remain open."

A council spokeswoman said: "The Government has cut funding to play facilities nationally, which will have an impact on Hart Hill, but the council has no intention to close the facility. However we do need to identify with Children's Link future funding options so we can work together on the way forward."

Man pleads not guilty to assault charge

A MAN arrested in connection with an assault on a woman this week has pleaded not guilty.

On Tuesday, Anan Mahjib Basharat, 19, was charged with assault by battery, which sparked protests by hundreds of members of the Sikh community outside Luton Police Station that evening.

The following day he appeared at Luton Magistrates' Court and pleaded not guilty to the offence.

He was granted bail on the condition that he stays away from Luton, adheres to a curfew between 7pm and 7am, and is not to contact anyone connected with the case.

Mr Basharat will reappear before magistrates on August 6.

Man found guilty after summer riots

A MAN has been convicted of offences relating to the firing of shots at police officers and a force helicopter during last summer's riots.

Wayne Collins (pictured), of Luton, was found guilty of riot, reckless arson and possession of a firearm in connection with disorder in Newtown, Birmingham.

The 25-year-old was one of five - the other four of whom were from in and around Birmingham - to be found guilty of the same three offences by the jury on Friday following a

five week trial. A 17-year-old from Aston was convicted of riot and reckless arson but cannot be named for legal reasons.

Members of the jury at Birmingham Crown Court are currently considering a verdict on a second 17-year-old also from Aston.

A 20-year-old man was found not guilty on all counts.

The trial began on April 23 and lasted five weeks before the jury returned the guilty verdicts. The men are due to be sentenced at a later date.

'Mystery' developers reveal plans for 500 new homes

BY LUI STRACCIA

lui.straccia@lutononsunday.co.uk

SECRECY surrounds plans to increase the size of a village by a fifth - with developers refusing to reveal their identity.

A proposal to build 500 homes in Barton-le-Clay along with a retail centre, middle school, retirement village, 200-bedroom country hotel and petrol station, among other facilities, was announced this week.

Leaflets have been distributed regarding public exhibitions which will be held on Thursday and Friday between 4pm-7.30pm at St Nicholas Church Hall, in Church Road, to allow visitors to ask questions about and comment on the plans for land north of Higham Road.

While no planning application has been made, should any be approved in the future it would see

the number of homes increase to 3,000 - a rise of 20 per cent.

Bedford-based DLP Consulting Group said it would not release the name of the developers until the date of the exhibitions at the earliest, and maybe not even then.

DLP spokesman Matthew Turnbull also said he could not say how much the proposed development - which also involves 'employment land', gym and leisure facilities, allotments and 'associated open space and infrastructure' - might cost, or how large an area it might take up, as the plans were still 'at the very early stages'.

He said: "We don't want people to run with it and take the wrong idea before seeing the proposals. That's why we want people to come to the exhibition. We can't say who the developers are, to respect their privacy."

"There's nowhere you can get

more information. We want to let the people know and give them a chance to comment. We'll do further exhibitions further down the line. We didn't want people getting drip-fed information."

Kerri Kilby, assistant clerk at Barton-le-Clay Parish Council, said: "This is the developers putting out the feelers to see how residents feel about it."

"It might not go ahead, it might be fewer homes, it might be more."

"Until any plans go in, the parish council cannot comment on it. We know as much as the villagers know. There's a lot of speculation going around the village."

Central Bedfordshire Cllr Ian Shingler, who represents Barton-le-Clay ward, said: "The first I heard about it was a leaflet that dropped through my door on Thursday. It's difficult to say more before I see more details."

Airport expansion plans could be delayed

THE proposed expansion of the airport faces delays with its initial application still not being submitted - more than six weeks later than expected.

London Luton Airport Limited (LLAL) announced earlier this year that it wanted to increase passenger numbers to 18 million a year.

It completed a consultation process with residents in Luton in March. According to its first announcements, LLAL was to put in a planning application in by the end of April to Luton Borough Council, which on Friday said there had been no submission as yet.

Last week LLAL denied claims by

Hertfordshire County Council it wanted to increase capacity to 30 million, saying that was not on the cards 'for the time being'.

Ian Burns, of Four Communications speaking on behalf of LLAL, said: "There is no delay. We will be in a position to say something later next week."

newsbriefs

YOUNG GUNS GO FOR IT

BRITISH alternative rock band Young Guns have been confirmed alongside Britain's Got Talent street dance duo Twist and Pulse to headline Luton's free Olympic Flame celebrations next month.

A regular on the festival circuit, the five-piece band were confirmed as Coca-Cola's up-and-coming live music act for the event at Popes Meadow on the evening of Sunday, July 8. Gates open from 4pm.

ROBBERY AT KNIFEPOINT

A MAN was robbed of cash and his phone at knife point.

The 25-year-old victim was walking along the road listening to music on his headphones at 12.15am on May 25 in North Street, Luton.

Two men approached him, asked for his mobile phone and threatened him with a knife before leaving with the phone and cash.

Anyone with information about this incident can contact Detective Constable Surraz Hussain on 01582 473330.

POLICE PERFORMANCE UP

NEW crime-fighting figures show Bedfordshire Police have improved their national ranking for solving the most prolific crimes during the past year.

Annual data reveals the force is ranked 20th or better nationally in four out of five priority crime types - domestic burglary, vehicle crime, most serious violence and serious sexual offences.

The biggest improvements were recorded in serious sexual offences detections which saw force performance increase from 20 per cent in 2010/11 to 46 per cent in 2011/12 and resulted in a rank change of 40th place to 1st.

140 SCHOOLS HELPED

AN innovative project to help children with speech and language needs has helped pupils in more than 140 nurseries and schools.

The 'Year of Communication' project, thought up by Luton Borough Council, was aimed at helping children with speech difficulties 'live their lives to the full'. The project has now come to an end.

Missing jug: TV appeal and MP calls for debate

BY LAUREN ARCHELL

lauren.archell@lutononsunday.co.uk

THE appeal for the return of the Wenlok jug has been widened after a Bedfordshire Police officer appeared on Crimewatch and Luton South MP Gavin Shuker applied to have a debate in Parliament.

The medieval item was stolen from a high security display cabinet at Stockwood Discovery Centre, Luton on Saturday, May 12 between 11-11.25pm.

Detective Sergeant Barry Towson, who is leading the investigation, appeared on the BBC One programme, Crimewatch, on Thursday to appeal for information and share CCTV images of the person responsible for the burglary.

Also this week, MP Gavin Shuker made an application which, if successful, would allow a 90-minute discussion in Parliament on the significance of the jug and its disappearance.

He said: "The theft of the Wenlok Jug is a great loss for us here in Luton. Its history is rooted here in Bedfordshire, and the jug has stood as a proud asset to Luton's culture."

"I know that Bedfordshire police and our local community have been working hard to raise the profile of this theft in order to secure its return."

"I feel it is important that we keep up the pressure on this."

"That's why I have applied for a debate on

The Crimewatch appeal this week

the Wenlok Jug – to raise awareness beyond Bedfordshire's borders and hopefully work toward the return of the royal treasure."

A £25,000 reward from insurance company Zurich has already been offered for the return of the Wenlok Jug, if it is in a 'reasonable' condition.

The jug is a very rare example of metalwork that can be associated with royalty from the 1400s. It is made of bronze and is 31.5cm in height, weighs 6.1kgs and is

decorated with coats of arms, badges and is inscribed with the words 'MY LORD WENLOK'.

Anyone with information about the identity of the man or the whereabouts of the jug can contact Bedfordshire Police, in confidence, on 101 or text information to 07786 200011.

Alternatively, you can contact the independent charity Crimestoppers, anonymously, on 0800 555 111.

Pub applies for much longer opening hours

THE Biscot Mill pub in Luton has applied to extend its opening hours.

The Greene King pub in Biscot Road has applied to Luton Borough Council to be allowed to remain open from 11am on

Fridays until 6am on Saturdays, with the same hours the following night, and permission to serve alcohol until midnight on a Sunday. The pub currently has a licence to be open until midnight on Fridays

and Saturdays, and until 1pm on Sundays. A Greene King spokesperson said: "We can confirm that an application has been submitted to extend the opening hours at the pub on Fridays and Saturdays."

"If granted it will allow us to continue hosting our extremely popular monthly theme nights without having to apply for a temporary extension for every individual event."

"We would like to

reassure our neighbours that this will be the only change to the current operation of these events and they should notice no other difference at all in the running of this popular community pub."

Schools miss out on money for buildings

BY CARL MUNGAZI

editor@lutonsunday.co.uk

TWO primary schools will not receive vital funds for essential repair and renovation work after missing out on the Government's Priority School Building Programme (PSBP).

Stopsley and Denbigh Primary Schools, along with Stopsley High School, applied for part of the £2 billion fund set-up to rebuild schools in serious disrepair but only Stopsley High was successful. The failures leave primary school pupils facing the prospect of continuing their education in an environment detrimental to their learning.

Kim Hall, headteacher of Stopsley Community Primary, said: "We are clearly very disappointed that our school has not been included in the Government's Priority Building Programme.

"We have allocated funds from our own resources but these are insufficient to deal with the substantial amount of work needed to rectify some long term structural weaknesses.

"The local authority and the

Stopsley Primary School

school have worked closely to ensure basic repairs have been tackled. However, children's learning could be adversely affected if these important structural weaknesses remain."

Also disappointed was the headteacher of Denbigh Primary, Lynne McMulkin.

Ms McMulkin said the school had already spent 'in excess of £300,000 from our revenue budget this year alone on upgrading and modernising the school building. This does not include capital work expenditure'.

She added: "We are extremely

disappointed that Denbigh Primary has not been included in the Government's Priority Building Programme.

"Governors have been campaigning for many years for financial support to improve the learning environment for our school community.

"The school was earmarked for a rebuild under the previous Government's Primary Capital Programme. However, the programme was withdrawn by the current Coalition Government.

"To lose out again is a double blow for the school community."

Gang of teens steal phone

A GROUP of ten teenagers attacked two men before stealing a mobile phone.

The incident happened as the victims, both aged 21, were walking along a subway close to Albert Road on Saturday, May 24 at 10.50pm.

As they made their way home, around ten teenagers between the ages of 14 and 17 surrounded them.

The victims were then assaulted before the members of the group took a mobile telephone and demanded cash.

The group then fled the scene leaving the victims suffering cuts and bruising.

The officer in charge of this investigation, Detective Constable Mohammed Hussain, is keen to trace anyone who may have witnessed the incident.

Anyone who has information about this incident is urged to contact DC Hussain, in confidence, on 01582 473056.

Avoid hospital A&E over the weekend, says NHS

NHS bosses are advising people to avoid A&E over the Jubilee weekend just weeks after it was revealed that GP practices are being paid not to refer patients to hospitals or specialists.

Bedfordshire and Luton NHS Trust is asking patients to consider alternatives, such as local pharmacies, NHS Direct and walk-in centres rather than making a trip to accident and emergency waiting rooms.

This comes after *Luton on Sunday* revealed that 56 GP practices in Bedfordshire could receive up to £21,000 extra for referring fewer people to hospitals as part of a new incentive scheme being rolled out by Bedfordshire Clinical Commissioning Group (CCG).

Bedfordshire GP and chairman of Bedfordshire CCG, Dr Paul Hassan, said: "A&E departments can get very busy during bank holiday periods, as people are often not sure of the suitable alternatives available when their GP surgery is closed.

"Our message is to please only use A&E services or dial 999 in life threatening emergency situations, for example chest pain or heavy bleeding."

Flasher targeted teenager

A MAN exposed himself to a schoolgirl in a village.

The 16-year-old victim was walking along Dovehouse Lane, Kensworth, on her own at 6.45pm.

Just after a vehicle had driven by, the teenager heard a man call out from behind her: "Can you give me a hand?"

When the girl turned around, she saw the offender with his trousers undone. At this point he repeated his question and the girl ran away and dialled 999 from her home.

The man is described as white, aged 50-60, of average height and build, and was bald apart from short, white hair to the back and sides. The offender was wearing dark coloured trousers, a dark blue round-neck jumper with a light coloured shirt with a collar underneath.

If you have information relating to this incident, contact Bedfordshire Police, in confidence, on the non emergency 101 number, or text information to 07786 200011.

Job title change fall-out at council

BY LUI STRACCIA

lui.straccia@lutononsunday.co.uk

PLANS to change the name of the role of Dunstable's Town Clerk has caused a stir as it breaks with tradition.

Town mayor Pat Staples proposed altering the title of the council's top position to Executive Town Clerk, but some councillors are unhappy as it is a well established part of Dunstable.

Cllr Staples' plan was rejected by the town council's Finance and General Purposes Committee's 15 members in March, but it will now go before full council on June 25.

At that meeting, the town clerk himself, David Ashlee (pictured), may even present a report explaining why the role name should be changed. The town council is currently taking legal advice as to whether this would be 'appropriate'.

But, if he does get the chance to put his case, he will have to convince those councillors who do not want the role title to lose any of its historic nature.

Conservative Cllr Staples said: "I've been on the council for three years and a lot of the changes are down to David."

"He's an excellent town clerk. He worked over Creasey Park football pitches and community centre, we now have a thriving theatre, and the bypass will help the High Street."

"Dunstable is steeped in tradition and history is our strongest asset."

Some councillors like the name of the town clerk's role as it is. That's their prerogative. If it comes to a vote, we will have a show of hands."

Cllr Staples said the proposed name change has nothing to do with changing his salary, which is between £64,122 and £69,103.

She added: "When you look at the job description, it is now far beyond that. I want the best for Dunstable. He's earned it."

Independent Cllr Julian Murray said: "I don't see why anyone should suddenly have a jumped-up name just because someone feels better about it. Call it what it is. The role has not changed, and I've been on the town council many years."

"I suspect this may be a way to try to engineer a salary increase, with the current freeze on council staff pay."

Units to join forces in bid to save cash

BY LUI STRACCIA

lui.straccia@lutononsunday.co.uk

MORE than half of all police units will be merged with other forces by the end of the summer.

Bedfordshire Police is currently combining its Counter-Terrorism and Road Policing services with Hertfordshire and Cambridgeshire Constabularies to help save money.

Those collaborations are expected to be complete in the next three months, meaning 50-55 per cent of the force is working with the corresponding departments from neighbouring forces after the creation of the Major Crime Unit in 2007 and the merging of dog, scientific services, professional standards, legal services units.

This week it was also revealed Beds Police's HR, finance and ICT

units could be outsourced in future as part of a joint recommendation made with the chief constables of Herts and Cambs. But Peter Conniff (pictured), who this week was elected as

chairman of watchdog Bedfordshire Police Authority for the eighth year, said there are no plans to merge with another force.

He said: "We are still talking about the Counter-Terrorism Unit and we need to go to the other police authorities in the future, but security it is very confidential. It would make a significant improvement and save money."

"What won't be merged is the front-line and neighbourhood policing. These operations need to remain local. There are no plans in place to merge them."

"So far, the performance in Bedfordshire has continued to improve, and in most areas this has been considerable, and we're quite pleased with that."

"But there is no question of merging forces in the near future."

Work on 'dangerous' building is under way

LONG-awaited repair work has now begun on a building that was dangerous to the public.

A building in High Street South, Dunstable, has had scaffolding on it while Central Bedfordshire

Council has traced the owner of to carry out repairs.

The council's efforts to get the owner to repair the building have been difficult, but after protracted negotiations and legal difficulties,

contractors appointed by the owners of the building have begun extensive repairs. The works are expected to take some weeks to complete and will include rebuilding of several parts of the building.

Damaging race relations

SIR - I refer to your report of May 27 headlined 'Rise in racist incidents'.

The spurious nature of this report is obvious and is damaging to the cause of good racial and religious relations.

Children indulging in the age-old childish pastime of taking sides, squabbling and name-calling in the playground are not racists and should not be labelled as such - particularly by adults and most particularly by those charged with the responsibility of educating them.

I am the first to agree that such childish misbehaviour must be corrected, and firmly so, but this gratuitous use of the term 'racist' is wrong and misguided.

It is too easy for such a report to be interpreted as a thinly-disguised finger-pointing exercise aimed at non-Muslims and whites in particular, and which serves only to increase the feelings of anger and resentment among some non-Muslims, who in their ignorance and lack of understanding, express that resentment in aggressive words and behaviour towards the only target they can recognise - the many decent, moderate Muslims who go about their lives peacefully and lawfully within the community.

That anger and resentment should be directed towards the politicians who have manufactured this situation, and the army of misguided do-gooders and 'excusologists' who have perpetuated it over the years in the media.

Spotlight on funding

SIR - In a recent interview, long standing with Luton Borough Council Watch, Labour Cllr Mahmood Hussein said 'The money we get from the airport is about £21 million, and taking corporation tax and other things into account, it is very small and you couldn't build many houses with that'.

In his recent rebuttal of criticism of Labour's profligate borrowing and expenditure (debt increased by £120 million), finance portfolio holder Cllr Harris said 'The well-managed investments we are making will deliver real benefits to the people of Luton'.

'Our prudent borrowing is planned against income we know is coming in through the success of the airport which represents this town's single biggest asset. Importantly, we are now able to make a start rejuvenating Luton's housing stock at best value.'

No wonder the council is desperate to push through huge airport expansion plans at any cost and despite the outcome of its expensive, paying-more-lip-service-to-the-people-it-serves consultation process on its plans.

Cllr Harris does add 'The council has independently appointed private sector external auditors who assess its spending and financial planning, ensuring that its approach to borrowing and investments is rigorously reviewed.'

Hmmmm... worried? We should be, because all of this debt is potentially a liability for all of us council taxpayers.

Backing for dad over son's bullying claims

SIR - More parents should take the stand that Mark Hine has taken (LoS, May 27), in support of his son who he claims is being bullied at King's Houghton Middle School, Houghton Regis.

School should not just be a place where children are taught the three 'r's, but also taught values which issue in good behaviour.

We soon complain, and rightly so, if children are not being protected in their homes and so it is refreshing and encouraging to hear that a father is prepared to stand up to the might of Central Bedfordshire Council and the courts to fight for the right to have his son protected by the educational establishment which, by being bullied, is failing him.

The fact that Maison was a perfect student at lower school, winning the headteacher's award for his behaviour, has to be acknowledged as significant. In

Mark Hine with his son Maison

stark contrast to this, the headteacher of King's Houghton Middle School claims that 'we do everything possible to ensure that our pupils have a good attendance record, enjoy their time at school and are safe.' I would suggest that he put

these claims in the correct order - safety first, then enjoyment and then attendance should not be a problem.

Maybe the headteacher is not getting his priorities right? Jackie Gleeson
Mixes Hill Rd, Luton

Green route preferred

SIR - I don't think the so-called red route for the Inner Ring Road east of Luton is the right choice.

Perhaps it is unfortunate that it was given that name as it seems to have influenced the ruling party in Luton too much.

Implementing that scheme will result in long hold-ups in Crawley Green Road. Those lights would not have been needed if the green route had been selected.

There will be a real snarl-up of traffic exiting Hart Hill Drive onto Crawley Green Road.

The green route would have facilitated better access routes into industrial units, been better environmentally, and would have made the route more round and therefore less driver miles.

Find out about homes

SIR - The Coalition Government is giving council tenants in Luton the chance to buy their home under our reinvigorated Right to Buy scheme.

Householders who have worked hard and done well can now get a discount of up to £75,000 to help achieve their dream of home-ownership.

And for the first time, our intention is that every extra home sold under the scheme will be replaced by a brand new affordable home to help meet the housing needs of other hard-working families in the area.

We are determined to ensure every eligible tenant has the information they need to decide whether taking this life-changing step is the right choice for them.

I'd urge anyone who wants to find out whether they have the Right to Buy to contact their landlord.

Tenants in council properties should contact Luton Borough Council on 01582 510333 or email feedback@luton.gov.uk

Other social housing tenants may have 'preserved' Right to Buy and

should contact their landlord to find out more, or visit www.facebook.com/righttobuy

Traffic's still queueing

SIR - I heard that Junction 10-11 of the M1 was now open with a speed limit back to 70mph with variable speeds in place.

The next day I went up to J10 from 11.

I didn't really notice the lanes then but coming back from 10 to 11 I noticed a solid white line down the left hand side.

But when I got to about a quarter of a mile from J11 a sign said 'End of Hard Shoulder'.

I couldn't believe my eyes. After four years or so, and all the disruption for the drivers and the area, not to say how much money has been spent, we have only a three lane motorway on the most congested part of the M1.

Everyone I've spoken to is amazed - all the work done, and for what? Just a load of gantries and white lines.

Don't they ever learn? Look at J10-10a. There's still queuing to get on and off.

After all these years, what a waste of money.

Airport passenger figures

SIR - Is there any wonder that politicians, including those at local councils, are held in such low repute.

Back in October last year Colin Chick (Luton Borough Council Development Director) gave a presentation that included the long-term aim of getting to 30 million passengers at Luton Airport. As it happened the previous month we had seen the council's approval to buy consultancy services to explore this and an 18m passengers plan.

Then in January futureLuToN optimisation is launched with pub-

lic consultation meetings all around Luton. There is no mention of 30m passengers and when asked it is made clear that this is only a plan for 18m passengers.

So some of us knew that 30m passengers was still under consideration despite the denials, but only with the consultants.

So it is quite a surprise not that it is being investigated, but apparently futureLuToN is so confident that it has quoted a planning application date, of Q3/Q4 2013: yes, next year.

We haven't even got to the planning application for 18m passengers and already the plan is another application next year.

And doesn't that make everything the wrong way round? Shouldn't there be a Master Plan for 30m passengers on which the public are consulted first, followed by an application for 18m being the first stage of implementing the Master Plan.

This is politicians with hidden agendas, and still they have the gall to deny it. Disingenuous or what?

And they wonder why we don't trust them?

Blight of broken bottles

SIR - Lots of people have been complaining about dog poo on the pavements. Rightly so.

There's another antisocial problem that blights our pavements - that is, smashed beer bottles.

Many a time, my dog has nearly cut her paw on the glass. With council cuts, our streets will only get worse. That why most people prefer to travel by car. Our streets are a mess, and unsafe to walk on.

Torch bearer

■ The Olympic torch bearers are supposed to be local heroes and Simon fits that bill perfectly! He has proved this by not cashing in on his torch bearer status... he truly embodies the Olympic spirit.
Stephen C

■ Simon has the true spirit of what the event is all about. Not sure what the future purchasers will say about the torches ('Look what I paid a stupid price for!'). It holds no significance for them so like any piece of art they can look at it or sell it.
The Olympics should never have done this. There should have been one torch (maybe a back-up) and the participants given a commemorative medal with their name on.
Mark

Station's future

■ The idea of closing Dunstable Police Station is utterly ridiculous. A town the size of Dunstable should not be without a police station. What are these people thinking about?

The times are a-changing as kids won't fly the nest

THERE were two ambitions all youngsters once held at the top of their priorities. One was to leave home, the other to learn to drive.

Both seemed to have waned quite dramatically in recent years. Leaving home was not necessarily because there was friction between youngsters and their parents – although that was sometimes the case.

It was about having the freedom to run one's own life, without being told what to wear, when to have your hair cut, what to eat, what time to come home by, in what state to come home in, and who to come home with – generally nobody and certainly no-one of the opposite sex.

Also there was usually one living room, with one TV, and little in your bedroom apart from a bed, a wardrobe and ice on the windows in the winter.

To have your own flat, or even bedsit, gave a sense of freedom unlike almost anything else before or since. And part of that was also having your own 'set of wheels', as the expression of the day called it. Not only could you run your own life and come and go as you pleased, you had a car or motorbike to come and go as you pleased in. Perfect happiness.

But over the past few years all this has changed. Bigger houses, with central heating, TVs and computers in every room make it possible for your average

young person to have a bedsit without ever leaving home.

More liberal parents interfere less in the haircut, dress and comings and goings of their children – the present Mrs Lowe excepted.

Frozen food and the ubiquitous takeaways often make the family meal a thing of the past and front door keys are handed out like confetti.

None of the pain of what living at home used to be and none of the cost of living alone.

So the chances of getting rid of your kids and letting the bedrooms out to central European plumbers become more and more remote.

Along with this lack of wanderlust, is the lack of desire to drive. Now you might say that the two go hand in hand, but being able to drive is more and more important in today's world. Not least as some jobs require it and mobility is often important for those that don't.

And living at home may offer the chance of the free use of a car. Insurance is a problem, as it is becoming prohibitively expensive to insure learner and new, young drivers, particularly if your car is anything more powerful than a small scooter.

My wife was pleasantly surprised when she inquired as to the insurance for the 17-year-old on a provisional licence on her mini to know that it was only £450 until she realised that it was the cost for one month and not a year. But even so you would think most youngsters would be dead keen to learn to drive.

We are receiving more and more applications from young people who want to be journalists who do not have a driving licence. Story-getting could be quite limited if you are relying on the local bus service to get you about.

In our family we do have a second job each as taxi drivers, fetching and carrying various children in a way that my parents would never have done.

I half expect our junior reporters to badger their mums into driving them to a story. Kids today have parents of the 1960s and 70s and as such we are cooler than they could ever aspire to be. We are obviously good to be around, and, with better music collections, a fridge full of beer and a regular taxi service, why would they want to leave. It would be nice, though, if sometimes they could drive us to the pub.

Service safety thumbs up

AN ambulance trust has been praised by the industry watchdog for improving standards after concerns were previously raised over missed targets and waiting times.

A report by the Care Quality Commission published last month found that the East of England Ambulance Service

Trust met 'all the essential standards of quality and safety' and was compliant in all key service areas under review.

The report said: 'Most people spoke highly of the service and the care they had received and told us that they had been transported to hospital quickly.'

Police search for pair after student stabbed

BY LAUREN ARCHELL

lauren.archell@lutonsunday.co.uk

A STUDENT was stabbed in his chest and arms by two men in broad daylight.

The incident happened on Monday at around 2.50pm as the victim made his way to his car which was parked in Essex Close, Luton.

He started to feel uncomfortable after being approached by two men who tried to engage him in conversation.

Believing the men were about to rob him of his laptop, he decided to get into his car and sit on his computer. At this point he was attacked and suffered stab wounds to his chest and arms.

He was taken to Luton &

Dunstable Hospital for treatment to his injuries. House to house enquiries have been made and Scenes of Crime Officers have attended the scene to complete a forensic examination.

The officer in charge of this investigation, Detective Sergeant Louisa Glynn, is keen to trace anyone who may have information relating to the two men responsible for this incident.

The first attacker is described as a white man with ginger unkempt hair, 5'4" tall, approximately 18 years old and wearing a blue jumper and black jogging bottoms.

The second is described as a dark skinned black or Asian man who was taller than the first offender, 18 years old and wear-

ing a black hooded top with Jamaican colours gold and blue stripes on it.

DS Glynn said: "This incident happened in broad daylight and the victim has had to undergo hospital treatment but is now recovering."

"I would appeal to anyone who saw two men matching the descriptions given in the area on Monday afternoon to contact the police."

Anyone who has information about this incident is urged to contact DS Glynn, in confidence, on 01582 473273, or Bedfordshire Police on 101, or text information to 07786 200011.

Alternatively, you can contact the independent charity Crimestoppers, on 0800 555 111.

Andy gets MBE and

FORMER Bedfordshire Police Superintendent Andy Martin was last month awarded an MBE for his services to policing. Reporter **LAUREN ARCHELL** spoke to him about being chosen to receive the honour and his career highlights.

Superintendent
Andy Martin

EX-SUPERINTENDENT Andy Martin has seen it all.

Since joining Bedfordshire Police in 1981, the former senior officer has led the policing operation during last year's English Defence League and United Against Fascism marches and headed the collaboration programme for the Uniformed Protective policing units.

But, Mr Martin, 53, said that the proudest moment of his career was receiving an MBE from The Prince of Wales at Buckingham Palace last month.

He said: "I am privileged to have been awarded this honour, and I am incredibly proud that my career has been recognised in this way.

"It was a complete surprise when I found out I would be given the MBE, but I must share it with my colleagues within

Bedfordshire Police and from partnering agencies as I could not have achieved it without them."

Alfred Hitchcock, Chief Constable of Bedfordshire Police, wrote a citation for Andy in support of him receiving the MBE, which read: 'He (Andy Martin) is a rare breed of officer, held in high regard by the rank and file, his peers and all senior officers.

'He goes about his work in a humble, quiet and unassuming manner, galvanising support through the compelling nature of his analysis and flawless planning.

'He has always 'gone the extra

mile' in his work ensuring that consultation with the public and colleagues has been prioritised as well as ensuring that his operational and strategic plans are well thought through and will stand the test of any contingency.'

Andy has lived in Luton throughout his police service, having moved to the area after getting the job.

Quickly moving through the ranks to Silver commander, he volunteered to lead the tactical policing operation when the EDL held their protest in February 2011 when the opportunity arose.

Serious About Eyecare

Brown and White Opticians have been looking after the health and well-being of customers since 1929.

Cousins Reginald Brown and Stanley White had a vision then to make the world seem a clearer place. Methods may have changed but the level of care and commitment which goes into providing the highest quality eye care, eye wear and services has not diminished in these eighty-three years.

There are three grades of eye examination and health check offered from the basic Bronze to their Gold examination which takes up to an hour and includes use of Bedfordshire's first OCT 2000 scanner to provide comprehensive screening and earlier detection of eye conditions such as Glaucoma and Macula Degeneration.

Principal Optometrist Martin White, grandson of the founder, visibly lights up with enthusiasm when talking about the advanced technological instruments now available to ensure the best in preventative and proactive eye-health screening.

The latest acquisition the O.C.T. (Optical Coherence Tomographer) was installed two years ago in both of their practices in Luton and Houghton Regis. These fantastic scanners take three dimensional scans of the eye as well as retinal photographs, allowing the optometrist to view and examine eyes in incredible detail and to compare measurements and thicknesses against normal data. This allows detection of problems sometimes years earlier than the traditional eye examination would allow.

Once your prescription is written, a huge selection of frames to suit every taste and pocket is available. There is a vast array on show with something to suit everyone from the youngest babe in arms to the most discerning designer aficionado. Sports Eyewear for hobbies including swimming, skiing, squash and golf are also available. Complete glasses are available from only £50 right up to individually designed lenses and the latest current designer models. They also carry several ranges of sunglasses which can be made to prescription or bought off the shelf.

Brown and White have a long history of working closely with large and small, local, national and international corporate clients. They provide eye examinations both on site and off site, as well as a large selection of safety spectacles and computer glasses.

Friendly advice and professional knowledge can be found at either of the family-owned practices at 172 The Mall, Luton or 1 Bedford Square, Houghton Regis.

Olympic security role

Former Bedfordshire Police Superintendent Andy Martin receiving his MBE from Prince Charles

This, he says, was one of his greatest challenges.

He said: "There are so many things that need to be taken into account, and there is a lot of intelligence work that goes into planning an operation like this. "We had to gather intelligence on how many people were expected to attend, negotiate routes with the protesting parties and limit the effect of the protest on the town."

"Despite concerns from local business in the town centre about this march and the risk of violence, there was not one window broken."

"The day passed peacefully and

we received national recognition in the press for the way in which the operation was carried out, which I'm very proud of."

Despite retiring last year, Andy has continued to work within the police service, initially undertaking a role as developmental training manager, which allowed him to pass on his wealth of experience to help with the training of colleagues.

However, when an opportunity arose to be a part of the security team for the London 2012 Olympics, Andy decided to apply.

He has since been accepted and is now a venue security manager in Coventry, working to ensure

the safety of The City of Coventry Stadium and hotels that will be used during the Olympic games.

He said: "I couldn't miss the once-in-a-lifetime opportunity to play a role during the Olympics."

"The job enables me to use the skills I've acquired during my time as a police officer to make sure the athletes and public are kept safe during the games."

Reflecting on his time in the police force, Andy said that the job has changed dramatically and there will be further changes to come, particularly in relation to cuts.

He said: "There are two changes I've seen; the amount of legislation that has come in that police officers have to be aware of and work under, and the cut-backs that are having to be made to save money."

"It's a very difficult time, but I think that the collaboration work that Bedfordshire Police are undertaking with Hertfordshire Constabulary and Cambridgeshire Constabulary will be key in the future."

While many might think that Andy would be looking forward to a well deserved rest once his role within the Olympic security team comes to an end, he revealed that he had his eye on other roles.

He said: "I will be taking a break, but as I've done all the work on the house it might be a bit quiet. I'm sure most of that break will be thinking about what I'm going to do next."

Celebrate the Diamond Jubilee by loving food and hating waste

The Queen's Diamond Jubilee is just around the corner, giving us all a reason to celebrate. We all want to spend time enjoying ourselves, and by following a few simple tips you can do so for less and reduce the amount of waste produced during the festivities.

If you're celebrating the jubilee with a party or get-together, there are plenty of small things you can do to reduce waste and still have a fantastic time, such as:

- ▶ Choosing reusable plates, cutlery and tablecloths. You could even ask your neighbours and friends if they have any they could bring along
- ▶ Making a shopping list; it will help you plan your menu and to buy accordingly – saving you money by not over catering for the number of people attending
- ▶ Storing 'leftovers' correctly so they can be used at a later date
- ▶ Recycling as much as possible using Luton's kerbside collections. Remember to separate any items which cannot be recycled; such as food waste, and to put them into your black bin.

For loads of interesting recipes and information about storing food correctly visit www.lovefoodhatewaste.com

For a full list of recyclable materials visit our website www.luton.gov.uk/rubbishwasteandrecycling

H A T E W A S T E

Could you save yourself £500?

The UK throws away over 7.2million tonnes of food waste every year, an average of £500 per household. The most common reasons why food is thrown away is because too much is cooked or it is not eaten in time. Vegetables, fruits, drinks and bakery items are the most commonly wasted.

By simply planning ahead, checking use-by dates, storing food in the correct place and planning portion sizes, everyone can reduce the amount of food they waste and the amount of money they spend.

The Love Food Hate Waste website is full of information to help you make the first steps towards reducing your food waste; here are a couple of their top tips:

- ▶ Be store cupboard savvy. Try and keep your store cupboard and freezer well-stocked with a variety of canned, dried and frozen goods that you know your family love to eat
- ▶ Love your leftovers. It's amazing what you can create once you have had a look at the recipes on the website!

50 plants found at cannabis factory

BY LAUREN ARCHELL
lauren.archell@lutononsunday.co.uk

BEDFORDSHIRE Police have closed down a cannabis factory containing 50 mature plants that had been set up in a Dunstable house.

Officers from the Local Policing Team attended the property in Edward Street, Dunstable, on Tuesday to execute a warrant for the misuse of drugs.

On gaining entry, officers discovered 50 fully mature cannabis

plants along with 150 cannabis seedlings in three rooms that had been converted for the production of the drug.

Police spent the day at the location removing the plants and disassembling the hydroponic equipment in the rooms.

Sergeant Keith Johnson of the Dunstable Local Policing Team, said: "Bedfordshire Police are committed to the fight against drugs and will do all that we can to prosecute those involved in producing and selling them across the

county. I would urge anyone who has any information about this discovery, or any other drug related offences, to come forward."

If you have information relating to this incident or any other drug offences in Bedfordshire, contact Bedfordshire Police in confidence, on the non-emergency number 101, or text information to 07786 200011.

Alternatively contact independent charity Crimestoppers, anonymously, on 0800 555 111, or online at crimestoppers-uk.org

Uni bus in town

A BIG green education roadshow bus will roll into town offering advice on university.

Staff aboard the Anglia Ruskin double-decker in Luton on Saturday, June 23, will offer youngsters guidance on how to apply for places, including help with writing a personal statement, and information on student finance.

Students will be on hand to offer a personal insight into university life and there will be a number of subject-specific talks from academics.

Legislative changes mean schools and colleges are responsible for delivering information about careers and further study directly to their students, rather than using external careers advisors.

Fraudster is told to pay back £23k

BY LAUREN ARCHHELL
lauren.archell@lutononsunday.co.uk

A MAN has been found guilty of fraudulently obtaining benefit payments of £23,000 over 15 years.

Aadesh Kumar, 39, of Halfway Avenue, Luton, pleaded guilty to three counts of benefit fraud at Luton Magistrates' Court. The court heard how Kumar had claimed housing benefit from the council between April 1996 and October 2001, but failed to declare he owned a property which he rented out and that his landlady was, in fact, his mother.

Benefit claimants have to declare in full their financial and property interests when claiming housing benefit, and are not entitled to claim housing benefits when living with a close relative.

Kumar fraudulently obtained benefit payments of more than £23,000, and must now repay all the money to the council.

After pleading guilty, he was sentenced

to a 12 month Community Order with 12 months Probation Supervision and a six month curfew from 8pm to 6am.

Cllr Robin Harris said: "There is a strict criteria for housing benefits.

"If claimants are not totally honest when they complete a benefits form, or they don't tell the council about any changes in their financial or personal circumstances, the entire benefits system for this country will collapse.

"The system isn't there for free hand-outs."

If you have financial problems and you are falling behind with your council tax or rent, get help now by calling the council on 0300 790 0345, see www.luton.gov.uk/helpwithdebt or visit the Town Hall.

If you suspect someone you know is a fraudster and has given the council false information about their living or home arrangements, call the fraud hotline in complete confidence giving as many details as possible on 0500 500 777 or e-mail fraud@luton.gov.uk

Kids' group gets gong nomination

AN OBESITY-BUSTING football and learning class for toddlers has been shortlisted for a national award.

Socatots Bedfordshire has been heralded by Netmums, in South Bedfordshire, as a shining example of a healthy pre-school activity group.

With nearly one in four children classed as obese, the programme, for

those aged 18 months to five years, encourages young children and their parents to keep fit while improving their ball skills with strong elements of numeracy, literacy, colour, shape identification and social development built into it.

Recycle and reuse after street parties

JUBILEE party-goers are being urged to clean up after them - and help save the environment.

Central Bedfordshire Council's Waste Services team has asked people to use washable plates and cutlery, reuse leftover

food and recycle bottles and packaging.

Cllr Brian Spurr said: "This is an historic occasion and residents may be planning either a private or street party to celebrate. We would encourage them to remember to reduce, reuse and recycle as

much as possible at their events, however big or small."

LEVI 'Reggae Reggae Sauce' Roots will be the special guest at today's Luton Diamond Jubilee Celebration in St George's Square.

The event begins with an official opening at 11am and includes a food festival featuring restaurants, a free children's section including free rides and shows and a full programme of music and dance performances courtesy of Luton in Harmony.

Levi Roots (pictured above) will be demonstrating his own unique Diamond Jubilee dish when he entertains visitors from the Luton in Harmony stage between 1pm and 2pm.

Today's celebration is also part of the national 'Big Lunch' event that is being

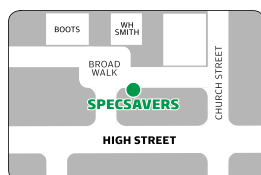

held across the country. Chairs and tables are being provided in the square so come along, enjoy the food on offer or take a picnic and be part of Luton's own giant street party. A variety of other stalls are taking part including the 2012 Love Luton Festival.

Visit the stall to buy your tickets for the Festival to see The Wanted and Olly Murs - family, student and weekend saver tickets available.

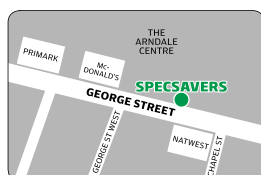

Also available between 11.30am and 4.30pm today will be free tickets for the Olympic Torch Relay evening celebration event in Popes Meadow on Sunday, July 8.

A maximum of two tickets per person are available on a first come, first served basis, and an adult must be present to sign a form and collect the tickets.

Thousands of call-outs made to false fire alarms

BY KATHRYN CAIN
editor@lutononsunday.co.uk

NEARLY half of all 999 fire calls made in the space of one year turned out to be false alarms.

Hoax calls and automatic alarms triggered by other causes featured among the 2,500 made to Bedfordshire and Luton Fire and Rescue Service between April 2011 and March this year.

The service is called to false alarms every day of the week, with crews attending more than 200 unnecessary incidents on average each month in this period.

A freedom of information request to the service revealed that one of the most common causes of fault is over-sensitive alarms which are triggered accidentally when there is no smoke or fire, and calls made by wellmeaning members of the public when the service may not

A firefighter in action

be needed to deal with the situation.

The highest recorded number of false calls last year was in the peak fire season in the summer when in July, firemen and women attended 251 reports.

In September *Luton on Sunday* reported that the Bedfordshire

and Luton Fire and Rescue Service was looking at how to respond differently to automatic fire alarms (AFAs) after it was revealed only one in 10 calls were actually fires. Figures also found that around one in four of the call outs between 2010 and 2011 were false alarms as a result of AFAs.

A spokesman for the fire service said: "The Fire and Rescue Service's commitment is to help save people, and we will always respond to anything that we believe to be an emergency incident, unless there is very good reason to believe that it is not.

Inevitably, there will always be occasions we're called to deal with something that turns out not to be an emergency.

"There are also occasions when we receive deliberate or malicious false alarm calls, which are a criminal offence, and which can result in prosecution."

Uni halls damaged after grill pan blaze

FIREFIGHTERS were called to a blaze in the University of Bedfordshire halls of residence, which was caused by a grill pan fire.

Three appliances were called to the flats in Park Street, Luton, on Wednesday at 7pm to find a ground floor kitchen well alight.

Firefighters in breathing apparatus used hose reels to extinguish the blaze before ventilating the building to clear it of smoke.

A spokesman for the university said: "A student living in the University of Bedfordshire's Park Street halls of residence

accidentally caused a grill pan fire while cooking on Wednesday.

"Luton Fire Service attended the scene and quickly extinguished an oven fire.

"The kitchen has some minor smoke damage and there were no injuries."

Modern take on a classic ballet

BALLET

THE SLEEPING BEAUTY, PRESENTED BY BALLET THEATRE UK

Grove Theatre, Dunstable
Saturday, 7.30pm

BALLET Theatre UK's internationally acclaimed company of dancers bring a dazzling new production of one of the world's favourite ballets to life.

Dramatic stage sets, elegant hand-crafted costumes and Tchaikovsky's beautiful music combine to tell a story based on a much loved fairy-tale set in an enchanted world of castles and curses, forests and fairies.

Once upon a time, in a land far away, the wicked Fairy Carabosse put a curse on Princess Aurora: to prick her finger and die on her 18th birthday. But the beautiful Lilac Fairy cast a spell to counter it so that, instead, Aurora fell asleep for 100 years.

Only the touch of true love's kiss could awaken her and undo the evil spell...

This innovative company is enjoying rave reviews for its engaging and always entertaining performances.

The company's talented dancers, winning five-star praise from audiences and critics alike delight with exhilarating dances.

Whether you've seen Ballet Theatre UK's dancers before or have yet to experience the thrill of classical ballet, this dramatic new interpretation of one of the most popular ballets will have you captivated.

Ballet Theatre UK brings quality classical ballet productions to theatre audiences, their productions are based on well known classics but given a modern freshness with a new interpretation of the story, choreography, costumes and set design.

Tickets cost £19 for adults and £10 for children and can be booked by either calling the box office on 01582 602080 or visiting www.grovetheatre.co.uk

Be transported right to the heart of Africa

WHAT'S ON

SPIRIT OF AFRICA PRESENTS - JOURNEY TO JOY

The Alban Arena
Sunday, June 10, 5pm

JOIN the 'Journey to Joy' to experience the energy, magic and suspense of African celebratory rituals as they are all marked with drumming, dancing, magic and acrobatics.

This will be an unforgettable evening, one when your imagination will be transported to the heart of Africa.

'Journey to Joy' is the latest in the long line of African shows such as Umoja, Ipi Tombi, Zambezi Express and Afrika-Afrika, that have thrilled British audiences over the years.

Perfect for all the family, tickets are priced between £15-£25 for adults, £10 for under-16s and £12.50 for concessions.

To book either call the box office on 01727 844488 or visit www.alban-arena.co.uk

A look at Stewart's world...

COMEDY

STEWART LEE

The Alban Arena
Saturday, 6pm

WHAT can a sexless middle aged married man, whose life now consists mainly of watching Scooby Doo cartoons with a four-year-old boy, possibly find to write comedy about?

Formerly stand-up's youthful iconoclast, Lee now gawps blankly at News 24 as Britain burns down around him, and blinks weirdly at the vast wayside retail outlets during endless journeys to and from increasingly indistinct provincial theatres.

Once he lived on the pleasure planet. Now he is trapped in Carpet Remnant World. And so are you.

Tickets are priced at £18.50 and can be booked by either calling the box office on 01727 844488 or visiting www.alban-arena.co.uk

Airport space available to display work

LUTON Airport is looking for artists to display their work in its gallery.

Gateway Gallery, delivered in partnership with Luton Culture is located in the main terminal building adjacent to the Onward Travel Centre.

An average of 25,000 passengers travel through Luton Airport every day.

The airport is looking to hear from talented artists who believe they can offer an original, impactful exhibition for the gallery. This can be in any 2D medium.

For your artwork to be considered visit and download an application form at www.londonlutoninthecommunity.com

Applications must be submitted by noon on Wednesday.

The winning three entries will win free display space for a minimum of two months during a period in 2012 or 2013.

Alan Sugar features

The Apprentice: The Final

BBC1, 8.30pm

There's a general view that this hasn't been a classic series of The Apprentice – maybe it's because the format is getting a little over-familiar. However, that could all change as we get to the final, because it's the interview task. Traditionally, this is the time when Alan Sugar's trusted associates go through the candidates' CVs and discover some glaring inconsistencies, but it won't just be their resumes that are under scrutiny. The finalists also have their business plans to talk up if they want to secure that £250,000 investment.

General Support Assistants

£7,489 - £8,365 per annum
25 hours per week, term-time only

Required from 1 September 2012, three General Support Assistants to work with children who have severe and complex needs including ASD. Experience of working with children who have special needs is desirable and the ability to speak a community language (Urdu/Punjabi) would be an advantage but is not essential. An extensive induction and mentoring programme is in place which offers professional career development and all staff are encouraged to undertake further training. Lady Zia Wernher School educates children with severe and complex needs and in February 2010 was judged Outstanding in all categories by Ofsted. Visits to the school are welcomed.

Successful applicants will be notified by telephone to attend interviews.

For an application form please send a large SAE to Mrs Diane May, Head Teacher at the school address. For further details please call 01582 728705.

Closing date: 18 June 2012 at 12noon.

Ref: 40/0451

Interview date: w/c 18 June 2012.

CVs will not be accepted for any posts based in schools. Schools are committed to safeguarding and promoting the welfare of children and expect all staff to share this commitment.

Applicants must be willing to undergo child protection screening appropriate to the post, including checks with past employers and the Criminal Records Bureau.

We value equality because quality services need the best people - from the whole community.

For the Surveyor roles, you will be responsible for the provision of high quality responsive repairs services to customers in Council accommodation and for external clients. This will be achieved through the management of the technical aspects of the service, including survey and inspection, programme design, contractor management, financial management and quality audit.

Income Recovery Surveyor

£28,636 - £30,851 per annum plus essential car user Ref: 12/0266

With substantial experience in a building maintenance environment, you will have the ability to manage and monitor programmes of work and produce technical specifications, drawings and contract documentation, and you will analyse and interpret financial information and data, and produce complex project briefs and technical reports. Knowledge of current relevant legislation and statutory requirements such as CDM and Asbestos Regulations, Health and Safety, and COSHH is essential.

Team Surveyor Repairs

£28,636 - £30,851 per annum plus essential car user Ref: 12/0267

With substantial experience in a building maintenance environment, you will have the ability to manage and monitor programmes of work and produce technical specifications, drawings and contract documentation, alongside knowledge of current relevant legislation and statutory requirements, such as CDM and Asbestos Regulations, Health and Safety, and COSHH.

Area Youth Worker

£24,875 - £26,975 per annum pro rata

Ref: 12/0270

Fixed-term until 31 March 2013

You will directly deliver and work in partnerships to deliver youth work programmes and activities with young people focusing on ages 13 - 19 in a geographical area of Luton. You will plan, develop, deliver, manage and maintain a range of good quality youth work programmes for young people during term-time and school holidays within designated youth projects and schools.

With the ability to engage and build positive relationships with disengaged young people, you will be able to lead and motivate a team of part-time staff and to lead in the design and implementation of high quality social educational programmes with young people who face social exclusion, disadvantage and disaffection. You must possess a JNC recognised qualification or NVQ Level 4 or equivalent and demonstrable relevant experience and competence.

Closing date for the above roles: 17 June 2012.

Peripatetic Instrumental Teacher - Upper Strings

MPS or UQ scale, according to qualifications and experience

Teachers' Pay and Conditions, term-time only

Required for 1 September 2012 or as soon as possible thereafter

You will teach violin and viola to children between Year 3 and 13 and guide each pupil to develop their musical skills. You will encourage all pupils to gain enjoyment from music making and enrich their education by providing appropriate musical experiences that develop life skills that will remain after the pupils' school days.

With experience of teaching violin and viola, you must be able to communicate effectively with pupils, parents and staff. You must be able to travel across the Borough and should be prepared to work outside normal office and school hours from time to time. The ability to deliver in a wide range of settings is essential and experience in delivering workshops and whole class instrumental lessons is advantageous.

Closing date: 18 June 2012.

Ref: 12/0268

Manager x2

Required for September 2012

These posts represent an exciting opportunity to lead a highly successful local authority music service as it becomes a hub lead organisation. We are seeking to appoint an exceptional person to lead the Service as it builds on these strong foundations.

Luton Music Service is currently the major provider of instrumental and vocal tuition in the borough's schools. In line with the National Plan for Music Education, we have developed a wide range of innovative approaches to ensure that every child learns an instrument from an early age and experiences a rich music education that draws on the rich heritage of local communities. Partnerships with a wide variety of local, regional and national organisations are already well embedded.

The Service benefits from very strong support, both from schools and from within the local authority. Indicative buy-back from schools for the coming year has already far exceeded projections. Music Service ensembles and individual students continue to achieve success at a national level, with groups regularly performing at the National Festival of Music For Youth, Choir of the Year and the Schools' Prom.

Music Service Manager

Soulbury pay spine 17 - 19, according to qualifications and experience

£50,739 - £52,969 per annum

Ref: 12/0264

We are looking for someone who will:

- Lead the strategic development of music for all children and young people in Luton as the Service moves into its next stage of development
- Reach out further to strengthen existing links with all partners
- Combine vision, imagination and strong music teaching skills with a robust ability to make sound business decisions
- Work to enthuse and inspire all hub partners and stakeholders, including a talented team of teachers, schools, pupils and families.

Manager for Provision in Schools

Soulbury pay spine 5 - 8, according to qualifications

and experience £36,817 - £40,192 per annum

Ref: 12/0265

We are looking for someone who will:

- Lead the delivery of the Service's in-school provision in line with the expectations set out in the National Plan for Music Education, enthusing and inspiring all Service teachers in the day to day execution of their work
- Contribute significantly to a programme of continuing professional development and support for the workforce, further enabling them to deliver a wide range of provision in a variety of settings
- Combine vision, imagination and strong music teaching skills with an ability to communicate positively with schools and parents, and to resolve issues around delivery as they arise.

If you can bring a proven, bold, enterprising and business-like approach, expanding the reputation and reach of this excellent Service, then we would like to hear from you.

If you would like further information about the work of the Service and either of these vacancies, please telephone Chris Pascoe, current Music Service Manager on 01582 538202 for an informal chat.

Closing date for the above roles: 18 June 2012.

Interview date for the above roles: w/c 25 June 2012.

Planning and Compulsory Purchase Act 2004

Statement of the Representations Procedure and Arrangements for Inspection of the Bedford, Central Bedfordshire and Luton Minerals and Waste Core Strategy

Minerals and Waste Core Strategy Plan for Submission 'Main Modifications and Additional Modifications' DPD

Minerals and Waste Plan for Submission Proposals Map

In accordance with Regulation 19 of the Town and Country Planning (Local Planning) (England) Regulations 2012, Bedford Borough Council, Central Bedfordshire Council, and Luton Borough Council, ("the Councils") have jointly prepared two documents for submission to the Secretary of State. The Councils invite representations from the public and interested bodies on these documents.

The documents are as follows:

Title of Document:

Bedford, Central Bedfordshire, and Luton Minerals and Waste Core Strategy Plan for Submission 'Main Modifications and Additional Modifications'

Proposed subject matter:

The document sets out the Strategic vision and objectives for future development and management of minerals and waste within Bedford, Central Bedfordshire and Luton, including strategic site allocations for the Plan period to 2028. The document includes Core Policies to guide minerals and waste developments in terms of the amount and generic suitable locations. The Core Strategy has been subject to a Sustainability Appraisal which can be read with the Core Strategy. The document applies to the whole of the administrative areas of Bedford, Central Bedfordshire, and Luton. 'Main Modifications and additional Modifications' are proposed in response to representations made on the consultation on 'Soundness', and the publication of the National Planning Policy Framework.

Title of Document:

Bedford, Central Bedfordshire and Luton Minerals and Waste Core Strategy Plan for Submission Proposals Map

Proposed subject matter area:

The document sets out in map form the Councils allocations for the future development and management of minerals and waste within Bedford, Central Bedfordshire and Luton. It identifies site specific land allocations and Mineral Safeguarding Areas. The document applies to the whole of the administrative areas of Bedford Borough Council, Central Bedfordshire Council, and Luton Borough Council. 'Main Modifications and Additional Modifications' are proposed in response to representations received on the consultation on 'Soundness', and the publication of the National Planning Policy Framework.

Period for representations:

Representations on either or both of these consultation documents may be made between 9 am on 4th June 2012, and 9 am on 16th July 2012. All representations must be received within this timescale in order to be valid.

Address for Representations:

Representations can be made on-line at: <http://consult.centralbedfordshire.gov.uk/portal>. Alternatively representations can be sent by letter to the address below, or by e-mail to mwplans@centralbedfordshire.gov.uk

Representations should specify whether the 'Main Modifications and Additional Modifications' are considered legally sound, and/or the test of soundness, and the document to which they relate. Representations may be accompanied by a request to be notified at a specified address of the further progress of the DPDs (i.e. their submission to Secretary of State, independent examination, and their adoption if found sound).

Availability of Documents for Inspection:

Copies of the Minerals and Waste Core Strategy Plan for Submission DPD and the Minerals and Waste Proposals Map, and associated documents are available at the following locations:

- Central Bedfordshire Council:
- Priory House, Chicksands
 - The Old Court House, Ampthill
 - The Old Magistrates Court, Biggleswade
 - Dunstable
 - Bossard House, Leighton Buzzard
 - Bedford Square, Houghton Regis

Bedford Borough Council:

- Borough Hall
- Town Hall

Luton Borough Council:

- Town Hall
- Purley Centre
- Farley Hill Office
- Lucy Farm Office

What is Soundness?

Which part of the 'Main and Additional Modifications' are you responding to?

To make your response you must say to which part of the 'Main and Additional Modifications' consultation document your representation relates to. The Core Strategy sets out the vision for mineral and waste development, the broad locations where it will take place, the amount that will be provided, and core policies which will be used to determine planning applications. It makes Strategic allocations for minerals extraction, waste recovery and disposal.

Are you commenting on Legal Compliance or Soundness?

If you want to make comment you need to decide on what basis -

Legal Compliance - the Councils have to prepare the Plan according to a number of legal requirements. The Inspector will ensure that these have requirements have been met. Any response relating to the way the Plan has been prepared is likely to fall under this category.

Soundness - if you are responding on the content of the Plan then your comment is likely to relate to this category.

Which Test(s) of Soundness does your response relate to?

The Inspector has to consider the Plan against 4 'Tests of Soundness'. These tests are set out by the Government in the National Planning Policy Framework. Any representation must be related to one or more of these tests.

The 4 Tests of Soundness will assess whether the Plan is:

- **Positively prepared** - this means the plan should be prepared based on a strategy which seeks to meet objectively assessed development and infrastructure requirements.
- **Justified** - this means founded on robust and credible evidence base, and being the most appropriate strategy when considered against reasonable alternatives. There should be evidence of participation of the local community and others which have a stake in the area. Choices should be backed up by facts.
- **Effective** - this means deliverable (with no barriers, and with partners who are signed up to proposals); coherent with strategies of neighbouring authorities; flexible to change. The document should be able to be monitored, showing who is responsible for delivering the policies and proposals and when they will happen.
- **Consistent with national policy** - or if there is a departure from it, it must be justified. If your representation relates to more than one Test of Soundness, please be clear which parts of your comment relate to which test.

**THE BOROUGH OF LUTON
(PROHIBITION AND RESTRICTION OF
WAITING AND LOADING)
(AMENDMENT NO. 57) ORDER 2012**

NOTICE is hereby given that on 28th May 2012 Luton Borough Council, the Highway Authority for the said Borough, made the above Order under the relevant provisions of the Road Traffic Regulation Act 1984 (as amended).

The Order will come into effect on 27th June 2012.

The general nature and effect of the Order will be to:

1. introduce the waiting restrictions specified in Schedule 1 below.

A copy of the Order, together with a plan showing the roads and lengths of roads affected and a Statement of the Council's reasons for making the Order may be inspected at the Parking Shop at the Town Hall, Luton (public entrance on Gordon Street) between 9.00am and 4.30pm Monday to Friday.

Any person wishing to question the validity of the Order or of any provision contained in them on the grounds that they are not within the powers contained in the above Act or any requirement of that Act or any regulation made under it has not been complied with in relation to the Order, may, within six weeks on the date on which the Order was made, apply to the High Court for this purpose.

3rd June 2012

Graham Turner, Highway Services Manager

A new chapter begins:

Innovative ŠKODA Citigo on sale today

Starting price **£7,630**

Available in S, SE and Elegance trim

On sale now.

One of the most important new models in the history of ŠKODA is now officially on sale.

The all-new Citigo marks the start of a new era in the company's 117-year history. As the sixth model in the multi award-winning line-up, and ŠKODA's first ever city car, it expands the brand's value-for-money appeal to a new type of customer.

With a classically simple yet charismatic design and outstanding around-town manoeuvrability, the Citigo sets new standards comfort, convenience, environmental considerations and technical sophistication.

The brand's debut in the fast-expanding city car segment, it's also the first new model to wear ŠKODA's revised 'winged arrow' corporate badge.

The 1.0-litre three-cylinder petrol engine comes with a power output of either 60 or 75PS, plus the option of GreenTech fuel saving technologies including stop/start and brake energy recuperation. A newly developed five-speed manual transmission is standard, though an automatic gearbox is available on selected models. It means the Citigo has official combined fuel economy as high as 68.9mpg and CO₂ emissions as low as 96g/km.

ŠKODA's recognised high specification trim levels – S, SE and Elegance – are on offer, and can be personalised with a range of desirable factory and dealer-fit options. One highlight is the Personal Infotainment Device (PID), a dashboard-mounted touch-screen technology providing Bluetooth, sat-nav, and trip data.

Prices for the 14-car Citigo line-up begin at just £7,630 for the entry level three-door model, with five-door cars only another £350.

The Citigo can be bought through ŠKODA Finance's flexible 'Solutions' Personal Contract Plan (PCP). A number of attractive packages have been created to suit every pocket, and include three years' servicing for free. It means customers could drive away a **brand new**

ŠKODA Citigo from as little as £75 per month.

Join us at our launch event from 1st to 5th June and you could win a new Citigo S⁺.

You'd think it would be tricky to pack everything you'd expect from a ŠKODA into a small city car. But not when it's as spacious as the 3 or 5-door Citigo, both of which can seat four adults comfortably and carry 251 litres of whatever you fancy in the boot. You're also safe in the Citigo's hands thanks to a 5 star NCAP safety rating.

PROUD TO BE PICKED: Andre Gray

Rivalry adds extra fire as top two clash

BEDS CRICKET LEAGUE

DERBY day takes on an extra significance for Luton Town & Indians and Dunstable Town in the Bedfordshire County Cricket League Premier Division today, with the sides sitting first and second in the early standings.

Last week, Luton overcame a slow start away to Flitwick to maintain their unbeaten start to the 2012 season, with Dhruv Patel (35) and Adnan Bashir (35 not out) making good use of the batting powerplay to post 191-7 from their 45 overs.

Three wickets for Dhiren Salvi then helped put the home side under pressure during their reply and restrict them to 162-9, securing a 29-run victory and putting Indians 23 points clear at the top of the Premier

Division. However, a good result for Dunstable with several bonus points could see them overhaul their local rivals by the close of play after they rebounded from a loss the previous week to beat Ickwell by four wickets.

Sam Cherry led the way after the visitors had opted to bat, taking impressive figures of 6-18 and helping to dismiss them for 183. Half centuries from Michael Payne (58 not out) and Lee Pratt (55) then saw Dunstable home with 14 overs to spare.

Lutonians are looking for their third win in a row when they travel to Ickwell today. They moved up to fourth in the table after chasing down the target of 221 with nine balls to spare in a two-wicket victory at home to Southill Park last Sunday.

LUTON MIDWEEK CRICKET

THE Midweek Cricket League Cup kicked off on Thursday evening as defending champions **Luton Majestics** overcame a scare from Division Two leaders **Luton Eagles**.

Majestics posted a huge 160-2 off their allotted overs with Assad Rashid scoring 63. In reply Eagles threatened to overcome that target but Rashid again caused them problems as his 2-37 proved decisive and restricted Eagles to 147-8.

Last year's losing finalists **Kingsway CC** were knocked out by **Lions CC** who earlier made 127-6 as Hammad Kiani led the way with his 66. Kingsway's innings got off to a quick start but Saqib Ali (3-25) took two quick wickets to slow them down. Atif Ali (29 not out) and Tabraiz Khan, who hammered 39, left it too late as Kingsway (120-3) fell seven runs short.

It was nail-biting stuff between **Luton Hawks** who had set **Shaheen CC** a target of 124. Hawks reached the total thanks to contributions from Awaiz Akhtar (34) and Asif Khan (30). Shaheen then began their chase well but Naeem Akhtar bowled a tidy spell as his 3-16 and Muddaser Hussain's 2-16 proved the key as Hawks managed to defend one run off the last ball, which Shaheen couldn't make.

It was an unbelievable chase by **Luton United Stars** who managed to reach a huge total of 145 set by **Haidery Tigers**. Stars had Asfan Javed to thank as he hammered 49.

The league champions **Luton Pakistanis** swept aside **Luton CC**, who were hammered by 43 runs.

Pakistanis smashed 139-5 thanks to Mohammed Haroon's 35 and Muzammal Hayat's 39. Despite a good start by Owais Raja (42) Luton CC fell behind the run-rate as Muzammal Hayat's 3-14 and Arif Khan's 3-11 helped dismiss them for 96.

Luton Haiderys, who last won the Cup in 2010, have their eyes firmly set up on the prize as they continued their good form from the league to beat **Luton Cricketers** very comfortably. Cricketers, who batted, could only manage 73-9 and Haiderys knocked the runs off with ease as they won by eight wickets.

The game between **The Saracens** and **Kashmir Cavaliers** was called off.

The quarter final draw is as follows: Luton Majestics v AKCC, Luton Pakistanis v Lions CC, LU Stars v Luton Haiderys, Luton Hawks v The Saracens or Kashmir Cavaliers. All matches to be played on Thursday.

IN Luton Midweek Cricket League action in Tuesday, **Kingsway CC** recorded their first win of the season by hammering **Luton Hawks** by 83 runs in the Premier Division.

Hawks won the toss and invited Kingsway to bat but that proved costly as Kingsway smashed 128-3 thanks to a superb unbeaten knock by Omraiz Khan (51) who had great support from Atif Ali (20) with Naeem Akhtar (2-19) bowling well to limit the damage. In reply, Hawks were simply blown away as some outstanding bowling by Rishi Chandarana (3-8) and Danial Ilyas (4-22) ripped through Hawks' batting line as they were all out for only 45.

Luton Haiderys' 129-7 maintained their 100 per cent record as they overcame **Luton Majestics** by 26 runs. Kamber Shah batted really well as he contributed an unbeaten 48 and Haiderys remain top of the Premier Division table with a superior run rate.

Luton Pakistanis followed up last week's big win with a narrow 15-run victory against **Lions CC** thanks once again to run machine Mohammed Haroon, who followed up his unbeaten half century last week with another classy 57 not out.

The top two clash between **Luton Saracens** and **LU Stars** in Division One proved to be a very exciting one as the game went into the last over as Mohammed Assad hit an unbeaten 50 to win it for LU Stars.

Luton CC beat **Kashmir Cavaliers**, while **Shaheen** sunk **AKXI** to leave them rooted to the bottom of the table.

Luton Eagles remain top of Division Two as they overcame second placed **Accident Specialists** to win by six wickets.

The Saracens moved out of the relegation zone with a 15-run win over **Challney CC**, who remain at the bottom.

Devine lines up Ockuko after downing Deakin

BOXING

MICHAEL Devine made his comeback from a seven-month lay-off with a points victory over four rounds against Robin Deakin, and will soon be in action again when he boxes early next month.

It was the Luton lightweight's first fight since knocking out Vladimir Balaklijec inside two rounds back in October last year and he made light work of journeyman Deakin in last weekend's contest at the Brentwood Centre in Essex.

Devine now faces durable Nigerian Ideh Ockuko at Bethnal Green's York Hall on July 7, with that contest scheduled for six rounds.

The 23-year-old (7[3]-1) has not been that distance yet in his career, with his only

scheduled six-rounder ending well inside the distance in the aforementioned bout with Balaklijec.

Ockuko (4[1]-6) has never been stopped in his career and should provide a good test for Devine as he looks to get more rounds under his belt before stepping up and possibly fighting for titles.

His 32-year-old opponent has previously faced fellow Luton boxers Duane Grimes and Bobby George. Indeed, Ockuko's last win came against Grimes in November last year when he produced a second round stoppage.

However, he found himself outclassed by former Olympic bronze medalist George in their meeting back in March of this year en route to the Bulgarian easing to a comfortable points victory over four rounds.

Town still in hat for ace Shaw

BY JAMES CUNLIFFE

james.cunliffe@lutononsunday.com

A MOVE for hotshot Jon Shaw has not been ruled out by Hatters technical director Lil Fucillo.

The prolific Gateshead goalscorer this week turned himself into non-league football's hottest property after he refused a new two-year deal to stay on Tyneside.

Luton were heavily linked with the striker last season, when Gary Brabin was manager, but it would appear that, even with Paul Buckle now at the helm, his signature is still coveted around the corridors of Kenilworth Road.

"I won't say that he's not interesting," said Fucillo, adding: "There are a few clubs after him. As I understand it, through the grapevine, there is a League One and League Two team."

"I don't know who they are but I know there are clubs chasing lots of players in the Conference."

Buckle struck upon a good forward partnership when he paired Stuart Fleetwood and Andre Gray together to devastating effect towards the end of the season just gone. However, both have similar attributes and Fucillo admits that they may need another option up front.

He said: "I'll talk to Paul. It might be that we want a big number nine that can hold the ball up and use his aerial power a bit more than Gray or Fleetwood. But if you've got those two either side with pace and power then we could be a force to be reckoned with."

"That's something we've spoken about but you can't get a cheap centre forward. "It be might be that a player comes on loan for a season from a Championship or League One side – that can help us out. We've got one or two names in mind, which I won't divulge."

"We need to get the balance of the team right. We've got to tinker about with it because there is something in the team which says that we are not quite right to get into League Two."

WANTED MAN: Jon Shaw

Foley devastated by Eire Euro snub

FOOTBALL

GIOVANNI Trapattoni's decision to leave former Hatters hero Kevin Foley out of the Republic of Ireland's Euro 2012 squad has left the Lutonian feeling 'betrayed'.

The 27-year-old, who now plays for Wolverhampton Wanderers after switching from Kenilworth Road in 2007, had initially been named in the 23-man squad three weeks ago but was this week told his place had been taken by Paul McShane.

Ireland boss Trapattoni admitted that the switch was due to the fitness worries over centre-halves Richard Dunne, John O'Shea and Darren O'Dea.

Foley, who graduated from the Luton Academy and went on to play over 150 games for his home town club, said: "It is hard to take. I don't want to go into too much detail. I just feel betrayed."

The defender had been battling back from a hamstring problem but was declared fully fit to feature in a 5-0 friendly win over a Tuscan select team.

Foley said: "I wanted to prove a point, that I was fit to play, because from what I understood, I could have trained last week, Thursday, Friday and been involved in the game (against Bosnia on Saturday)."

"He [Trapattoni] said there was no rush and we will wait to train in Italy, so I trained for two days in Italy and felt great."

"Then all of a sudden, he pulls me this morning (Tuesday) just before the end and says, 'You are not in the squad', and that is hard to take."

"I have done everything I can. That is all I can do. Words can't really describe it. It was tough. The lads have been great, but what happened, happened, there's nothing I can do about it now. I hope the lads go on and do as well as they can from the tournament."
